Snapshot report

Under the Investing for Success Agreement for 2016
RED HILL SPECIAL SCHOOL

Our full 2016 agreement can be found at: 

$26,926

• Throughout 2016, Red Hill Special School, through Investing for Success funding, focused on further developing the school’s vision of building a communication accessible school community, literacy for each student and building staff capability through focused teaching and coaching and utilization of data collection tools.

Our school initiatives are on track to meet or exceed our targets

During 2016, we focused on maximising the benefits of this funding for our students. After reviewing our 2016 Investing for Success agreement, it is clear that we are on track to meet our targeted student outcomes. We continue to implement our initiatives to ensure that every student succeeds.

Initiatives implemented include:
• Engagement of a Speech Language Pathologist (SLP) to collaboratively work with parents, staff and identified students to assess, establish and review individual communication systems.
• Provision of coaching, modelling and strategies for teachers to implement and embed communication systems within the curriculum at Red Hill Special School.
• Development of Resources to assist implementation and assessment of communication, literacy and numeracy for the cohort of learners at Red Hill Special School.

Our school initiatives are showing substantial progress toward our targets

It is clear that we have made progress toward our targeted student outcomes. We will continue to focus on maximising the benefits of this funding for our students, and adjust our initiatives as needed to ensure every student succeeds through:
• Further engagement of SLP, data collection tools, data analysis and resource development.
